Statistics on obesity, physical activity and diet: England

Feedback from Users

Between 24th February 2011 and 16th February 2012 the NHS IC received seven comments/suggestions on the Statistics on obesity, physical activity and diet: England, 2011 publication through the 'Have your say' link available on the publication page.

The comments were received from:

Academic Research 1
Local Authority 2
Primary Care Trust 1
Public Health Organisation 1
Regional Government Office 1
Student 1

When asked how useful the report was, the responses were:

Very useful 2
Useful 5

Whilst stating that the report was useful, we didn’t receive any specific comments.

We continue to welcome comments that help us improve the content and relevance of these publications.
