Feedback from Users

Between 17th February 2012 and 15th February 2013 the Health and Social Care Information Centre (HSCIC) received five comments/suggestions on the Statistics on obesity, physical activity and diet: England publications through the 'Have your say' link available on the publication page.

The comments were received from:

- Academic Research: 2
- Private Sector: 1
- Student: 1
- Other: 1

When asked how useful the report was, the responses were:

- Very useful: 2
- Useful: 3

Whilst stating that the report was useful, there was only one specific comment about wanting some statistics on 11-16 year olds. We will examine this to see if this is possible for future publications.

We continue to welcome comments that help us improve the content and relevance of these publications.
